NORTH TEXAS LOCAL MASTERS SWIM COMMITTEE Chair and Committee reports, April 2024

CHAIR REPORT (Jacky Merianos):

LMSC Highlights for Q1

- 831 NTLMSC members as of Friday (4/19)
- We are up and running on social media!
- 2 sanctioned SCY Meets - Far Out 1000 and Sprinting into Spring
- 2 Swim Clinics – one open water and one pool clinic
- 15 Masters took advantage of our First Meet Free Promotion
- North Texas swam 6,336 miles in Q1 via USMS' Go the Distance Challenge. We are currently ranked 3rd in the country, behind Pacific and South Pacific.
- Congratulations to North Texas Master and LMSC Board Member Tom Wolf on being named into the Masters International Swimming Hall of Fame

VICE CHAIR REPORT (Frank Cortese)

On behalf of Jacky: Frank has played a very big role in event hosting this quarter. Frank hosted his first-ever swim meet (Far Our 1000), collaborated with Arkansas Chair, Bonnie Adams, on a North Texas Open Water clinic, and is in the process of planning our LMSC's annual Swim De Mayo event. He humbly says he hasn't been busy, but I would say he has gone above and beyond. Thank you, Frank, for all of your work!

TREASURER REPORT (Mike Doyle)

Please review the attachment "treasurer report" for the following:

- 2024 Financial Highlights (to date)
- 2024 Q1 NTLMSC P & L Statement
- 2024 Q1 NTLMSC Balance Sheet

SECRETARY REPORT (Lynn Morrison)

Nothing new to report

MEMBERSHIP REPORT (Cindy Myer)

Please review the attachment "membership report" for current NTLMSC Membership data.

SANCTIONS REPORT (Alison Moore)

Swim de Mayo has been sanctioned for May. Nothing further to report.

TOP TEN/RECORDS REPORT (Tom Wolf)

The Top Ten responsibility has been successfully transitioned from Elaine Disney to Tom Wolf. Elaine conducted a training session on the tools and all the necessary access to the Hy-Tek Meet Manager system and administrative access to the USMS web site was obtained.

The meet results for the TFAM Sprinting into Spring were submitted to Tom, loaded into HyTek Meet Manager, exported in HY3 format, and successfully uploaded to the USMS site. All split requests were successfully submitted as part of the meet results.

NOTE: I (Tom) received an email from Mary Beth Windrath, national Top Ten Chairwomen, indicating that while the TFAM split times were accepted in the system, they weren't set up correctly. All split requests need to have a unique event number. TFAM created a separate event number by adding the letter Z to the event that the split request was swum instead of a unique number for each.

There is an alternative approach to split submission that involves the Top Ten chairman going into the meet results once they've been loaded into USMS. Each swimmer requesting splits will have all eligible splits highlighted and the one corresponding to the split request can be selected and submitted, without having to create a unique event number. I recommend that we use the USMS system for split request submission. **This will require that the signed split request forms will need to be submitted to me. If the NTLSMC committee agrees with this recommendation, I will document the process and make sure meet directors understand the process.**

FITNESS CHAIR REPORT (Cindy Myer)

Please review the attachment "Go the Distance Report" for 2024 Q1 Go the Distance data.

COMPETITION COMMITTEE (Cindy Myer, Lynn Morrison & Jacky Merianos)

In Q1, we had 2 SCY meets in North Texas: Far Out 1000 in February and Sprinting into Spring in March. Very positive feedback was received from our membership regarding both meets.

- Far Out 1000, hosted by North Texas club Tri-Now, had 35 master swimmers take on the 1000-yard freestyle. This was the first single-event meet our LMSC has hosted and was attended by master swimmers and triathletes alike.
- Sprinting into Spring, hosted by North Texas club Texas Ford Aquatics, had over 100 masters participate in the 2-day meet. A full lineup of events was provided across 2 days.

Looking forward to Q2 and Q3:

- TFAM to host a LCM meet in mid-July. Pegasus to host Summer Zones (LCM) in late July.
- We are hoping to have 2 SCY/SCM meets in the Fall, along with Jacky's SCM Relay meet. The committee is working on identifying meet hosts now.

CLINIC REPORT (Lynn Morrison, Cindy Myer & Jacky Merianos)

NTLMSC hosted a two-pronged clinic at North Lake College 10-noon on Saturday, April 13. Unfortunately, with short notice our number of reserved lanes went from 8 to 4 so we had to cap the number of registrants to no more than 16.

The first 30-40 minutes provided instruction on dry land drills with a special emphasis on shoulder health. We then had two swim groups, one focused on improving freestyle technique for the fitness swimmer and the other more focused on competition. Junior was able to provide each in that group with a tempo trainer and then took them through a series of sets to exemplify the benefits of such a tool. This was followed by swimmers using the resistance cord with belt around the waste to explore the optimal position of the catch and best way to "hold" and "move" water while sprinting. Also important to note that everyone was

introduced to new drills that that they can take back to their home pool and use in their next workout! NT LMSC coaches at the clinic were Junior Gilberto, Lynn Morrison, and Megan Alpha. Megan, our NT Social Media coordinator, also doubled as our videographer and put together a great reel that was posted on Instagram.

Next up: NT LMSC Long Course Workout happening on Saturday, June 15th.
